

WE ARE CENTRAL SERVICE.
WE PROVIDE THE SERVICES THAT ARE *CENTRAL* TO YOUR FUEL BUSINESS.

CENTRAL SERVICE

YOU NAME IT.
WE DO IT.

When your business revolves around getting people filled up and back on the road again, you need a full-service partner who can get you up and running in a hurry. Central Service is that partner. From design and construction, to compliance and testing, to service and maintenance, we do whatever is essential to get your fuel flowing. And keep it that way.

FULL SERVICE FOR YOUR FUEL STATIONS SINCE 2011.

Headquartered in the heart of the Pacific Northwest, Central Service has become a recognized leader in the fuel system construction and service field. We excel in managing complex projects from tip-to-tail and beyond. Where other companies require extensive contracts and turnaround times, we strive to keep a strong local presence to serve all customers regardless of size. We are more than happy to work with you on any level. Often on the same day.

"Our aim is to bolster your infrastructure, facilitating your business's growth and success."

–Brad Hughbanks, Vice President
